- A. The administration of each school is authorized to invoke suspension for a period of up to ten (10) days, or to invoke in-school suspension for a period of up to ten (10), of any student for one or more of the reasons stated in section III, above, in accordance with the procedure outlined in Paragraph C of this section. Moreover, the administration is authorized to suspend a student from transportation services whose conduct while receiving transportation violates the standards set forth in section III, above. The school administration is authorized to immediately suspend any student when there is an emergency as defined in section I, above. Suspensions shall be in-school suspensions except an out-of-school suspension may be imposed if:

**GRADES K to 2:**

the administration determines that an out-of-school suspension is appropriate for such pupil based on evidence that such pupil's conduct on school grounds is of a violent or sexual nature that endangers persons.

**GRADES 3-12:**

the administration determines that the pupil being suspended poses such a danger to persons or property or such a disruption of the educational process that the pupil shall be excluded from school during the period of suspension, or (B) the administration determines that an out-of-school suspension is appropriate for such pupil based on evidence of (i) previous disciplinary problems that have led to suspensions or expulsion of such pupil, and (ii) efforts by the administration to address such disciplinary problems through means other than out-of-school suspension or expulsion, including positive behavioral support strategies.

If an emergency exists, the hearing outlined in Paragraph C of this section shall be held as soon as possible after the suspension.

- B. In the case of suspension, the school administration shall notify the superintendent of schools not later than twenty-four (24) hours of the suspension as to the name of the student who has been suspended and the reason for suspension. Any student who is suspended shall be given an opportunity to complete any class work including but not limited to examinations missed during the period of his/her suspension.
- C. Except in the case of an emergency as defined in section I, above, a student shall be given an informal hearing where he/she is afforded the opportunity to meet with a member of the administration and to discuss the stated charges prior to the effectuation of any period of suspension or in-school suspension. If at such a meeting the student denies the stated charges, he/she may at that time present his/her version of the incident(s) upon which the proposed suspension is based. The school administration shall then determine whether or not suspension or in-school suspension is warranted. In determining the length of a suspension period, the school administration may receive and consider evidence of past

disciplinary problems which have led to removal from a classroom, in-school suspension, suspension or expulsion.

- D. No student shall be suspended more than ten (10) times or a total of fifty (50) days in one school year, whichever results in fewer days of exclusion, unless a hearing as provided in section V (B) of this policy is first granted.
- E. No student shall be placed on in-school suspension more than fifteen (15) times or a total of fifty (50) days in one school year, whichever results in fewer days of exclusion, unless a hearing as provided in section V (B) of this policy is first granted.
- F. Whenever a student is suspended, notice of the suspension and the conduct for which the student was suspended shall be included on the student's cumulative educational record. Such notice shall be expunged from the cumulative educational record if the student graduates from high school.
- G. The administration may shorten or waive the suspension period of a student who is suspended for the first time and who has never been expelled if the student successfully completes a program and any other conditions specified by the administration. Any such program shall be at no expense to the student or his parents/guardians. For a student whose suspension period is shortened or waived, the notice of the disciplinary action must be expunged from the cumulative education record if the student graduates from high school or, if the administration chooses, at the time the student completes the specified program and any other conditions required by the administration, whichever is earlier.

## **SECTION V EXPULSION PROCEDURES**

The board of education may expel any student in grades three to twelve, inclusive, for one or more of the reasons stated in section III if, in the superintendent's judgment, such disciplinary action is in the best interests of the school system. An expulsion hearing is required in any instance in which the superintendent has reason to believe a student in grades kindergarten to twelve, inclusive, has engaged in the conduct described in section III (D). The procedures outlined in Paragraphs A and B, below, shall be followed prior to the effectuation of any expulsion unless an "emergency" as defined in section I, above, exists. If an emergency exists, such a hearing shall be held as soon after the expulsion as possible.

- A. The board of education shall notify the student concerned and his/her parents, or the student if he/she has attained the age of eighteen (18), that expulsion is under consideration. Such notice shall contain the information required under Paragraph B of this section. Three members of the board of education shall constitute a quorum for an expulsion hearing. A student may be expelled if a majority of the board members sitting in the expulsion hearing vote to expel provided that three affirmative votes shall be required for expulsion.

- B. The procedure for any hearing conducted under this section shall be determined by the hearing officer or board chairperson, as appropriate, but shall include the right to:
1. Notice of the proposed hearing which shall include:
    - a. a statement of the time, place, and nature of the hearing;
    - b. a statement of the legal authority and jurisdiction under which the hearing is to be held;
    - c. reference to the particular sections of the Connecticut General Statutes or school policies involved;
    - d. a short and plain statement of the matters asserted, if such matters have not already been provided in a statement of reasons requested by the student; the statement so provided may be limited to a statement of the issues involved if it is not possible to state the issues in detail at the time such notice is served. Upon request from the student concerned a more definite and detailed statement of the issues shall be furnished;
    - e. a statement, where appropriate, that the board is not required to offer an alternative educational opportunity to any student between the ages of sixteen and eighteen who (1) has been expelled previously or (2) is found to have engaged in conduct which endangered persons and involved (a) possession on school property or at a school-sponsored activity of a firearm, deadly weapon, dangerous instrument or martial arts weapon, or (b) offering for sale or distribution on school property or at a school sponsored activity a controlled substance as defined by law. (See section VII on Alternative Educational Opportunity); and
    - f. a statement regarding free or reduced rate legal services that are locally available and how a student or parent may access these services.
  2. The opportunity to be heard;
  3. The opportunity to present witnesses and evidence;
  4. The opportunity to cross-examine adverse witnesses;
  5. The opportunity to be represented by counsel; and
  6. Prompt notification of the decision of the board of education which decision shall be in writing if adverse to the student concerned.

- C. The record of any hearing held in an expulsion case shall include the following:
1. All evidence received or considered by the board of education, including a copy of the initial letter of notice of proposed expulsion, if any, and a copy of all notices of hearing;
  2. Questions and offers of proof, objections and rulings on such objections;
  3. The decision of the board of education rendered after such hearing; and
  4. The official transcript, if any, of proceedings relating to the case or, if these are not transcribed, any recording or stenographic record of the proceedings.
- D. Rules of evidence at expulsion hearings shall include the following:
1. Any oral or documentary evidence may be received by the board of education, but as a matter of policy irrelevant, immaterial or unduly repetitious evidence shall be excluded;
  2. The board of education shall give effect to the rules of privilege recognized by law;
  3. In order to expedite a hearing, evidence may be received in written form, provided the interest of any party is not substantially prejudiced thereby;
  4. Documentary evidence may be received in the form of copies or excerpts if the original is not readily available provided, however, that any party to a hearing shall be given an opportunity to compare the copy with the original;
  5. A party to an expulsion hearing may conduct cross-examination of witnesses where examination is required for a full and accurate disclosure of the facts;
  6. The board of education may take notice of judicially cognizable facts in addition to facts within the board's specialized knowledge provided, however, the parties shall be notified either before or during the hearing of material noticed, including any staff memoranda or data, and an opportunity shall be afforded to any party to contest the material so noted;
  7. A record of any oral proceedings before the board of education at an expulsion hearing shall be made provided, however, that a transcript of such proceedings shall be furnished upon request of a party with the cost of such transcript to be paid by the requesting party.
- E. In determining the length of an expulsion, the board of education may receive and consider evidence of past disciplinary problems, which have led to removal from a classroom, in-school suspension, suspension, or expulsion.

- F. Decisions shall be in writing if adverse to the student and shall include findings of fact and conclusions necessary for the decision. Findings of fact made by the board after an expulsion hearing shall be based exclusively upon the evidence adduced at the hearing.
- G. Any student who is expelled shall be offered an alternative educational opportunity consistent with the requirements of state law as set forth in Section VII of this policy.
- H. Whenever a student is expelled pursuant to the provisions of this policy, notice of the expulsion and the conduct for which the student was expelled shall be included on the student's cumulative educational record. Such notice shall not be expunged at any time if the expulsion was based upon possession of a firearm or deadly weapon and the student was in grade nine through twelve. Such notice shall be expunged from the cumulative educational record if the student graduates from high school. The expulsion notice may be expunged from the student's record prior to graduation if the student has demonstrated to the Board that his/her conduct and behavior in the years following the expulsion warrants expungement.
- I. Whenever a student against whom an expulsion hearing is pending withdraws from school after notification of such hearing but before the hearing is completed and a decision rendered, notice of the pending expulsion hearing shall be included on the student's cumulative educational record and the board of education shall complete the expulsion hearing and render a decision.
- J. Except in cases where an expulsion is based upon the possession of a firearm or deadly weapon, the board of education may shorten the length of or waive the expulsion period of a student who is expelled for the first time and who has never been suspended if the student successfully completes a program and any other conditions specified by the board. Any such program shall be at no expense to the student or his parents/guardians. For a student whose expulsion period is shortened or waived, the notice of the disciplinary action must be expunged from the cumulative education record if the student graduates from high school or, if the board chooses, at the time the student completes the specified program and any other conditions required by the administration, whichever is earlier. Nothing herein shall be deemed to restrict the ability of the board to shorten or waive the expulsion period, based upon completion of any program or meeting of conditions, for students who have been previously suspended or expelled, as may be permitted by law and as provided in Subsection L, below.
- K. The board of education may adopt the decision of a student expulsion hearing conducted by another school district, provided that the board shall hold a hearing pursuant to this policy which shall be limited to a determination of whether the conduct which was the basis for the expulsion would also warrant expulsion under the policies of the board of education. The student shall be excluded from school pending such hearing. The excluded student shall be

offered an alternative educational opportunity in accordance with statutory requirements and this policy.

- L. In addition to such rights specified in Section J, above, an expelled pupil may apply for early readmission to school. Such readmission shall be at the discretion of the board of education; however, the board may delegate authority for readmission decisions to the superintendent. If the board delegates such authority, readmission shall be at the discretion of the superintendent. The board or superintendent, as appropriate, may condition such readmission on specified criteria.
- M. Prior to conducting an expulsion hearing for a child requiring special education and related services described in subparagraph (A) of subdivision (5) of section 10-76a of the Connecticut General Statutes, a planning and placement team shall convene to determine whether the misconduct was caused by the child's disability. If it is determined that the misconduct was caused by the child's disability, the child shall not be expelled. The planning and placement team shall reevaluate the child for the purpose of modifying the child's individualized education program to address the misconduct and to ensure the safety of other children and staff in the school. If it is determined that the misconduct was not caused by the child's disability, the child may be expelled in accordance with the provisions of this section applicable to children who do not require special education and related services. Notwithstanding the provisions of Section VII, below, whenever a child requiring such special education and related services is expelled, an alternative educational opportunity, consistent with such child's educational needs shall be provided during the period of expulsion.
- N. A student who has been identified as eligible for school accommodations pursuant to Section 504 of the Rehabilitation Act, shall not be referred to an expulsion hearing until the student's Section 504 Team is convened to determine whether the misconduct was caused by the student's disability. If it is determined that the misconduct was caused by the child's disability, the child shall not be referred to an expulsion hearing and shall not be expelled. Where appropriate, the Section 504 Team shall modify and otherwise review the student's accommodations plan to address the misconduct and to ensure the safety of other children and staff in the school. If it is determined that the misconduct was not caused by the student's disability, the student may be expelled in accordance with the provisions of this section applicable to non-disabled students.
- O. If a student who committed an expellable offense seeks to return to the school district after having been in a juvenile detention center, the Connecticut Juvenile Training School or any other residential placement for one year or more, the district shall allow such student to return and may not expel the student for additional time for such offense.

**SECTION VI NOTIFICATION TO PARENTS OR GUARDIAN**

The parents or guardian of any minor student against whom disciplinary action is taken under this policy shall be given notice of such disciplinary action no later than twenty-four (24) hours of the time the student was excluded.

**SECTION VII ALTERNATIVE EDUCATIONAL OPPORTUNITY**

The board of education recognizes its obligation to offer any student under the age of sixteen (16) who is expelled an alternative educational opportunity during the period of expulsion. Any parent or guardian of such a student who does not choose to have his or her child enrolled in an alternative program shall not be subject to the provisions of section 10-184 of the Connecticut General Statutes. Any expelled student who is between the ages of sixteen (16) and eighteen (18) and who wishes to continue his or her education shall be offered an alternative educational opportunity if he or she complies with conditions established by the board of education. Such alternative may include, but shall not be limited to, the placement of such student in a regular classroom program of a school other than the one from which the student has been excluded and, for students at least sixteen (16) years of age, placement in an adult education program. Any student participating in an adult education program during a period of expulsion shall not be required to withdraw from school. In determining the nature of the alternative educational opportunity to be offered under this section the board of education may receive and consider evidence of past disciplinary problems which have led to removal from a classroom, suspension, or expulsion.

State statutes do not require the board of education to offer an alternative educational opportunity to a student between the ages of sixteen (16) and eighteen (18) who has been expelled previously or who is expelled because of conduct which endangers persons and it was determined at the expulsion hearing that the conduct for which the student was expelled involved (a) possession on school property or a school-sponsored activity of a firearm, deadly weapon, dangerous instrument, or martial arts weapon or (b) offering for sale or distribution on school property or at a school sponsored activity a controlled substance as defined in subdivision (9) of Connecticut General Statutes §21a-240, whose manufacture, distribution, sale, prescription, dispensing, transporting, or possessing with the intent to sell or dispense, offering, or administration is subject to criminal penalties under Connecticut General Statutes §§21a-277 and 21a-278. If the board expels a student for the sale or distribution of such a controlled substance the board shall refer the student to an appropriate state or local agency for rehabilitation, intervention or job training, or any combination thereof, and inform the agency of its action. If the board expels a student for possession of a firearm or deadly weapon, the board shall report the violation to the local police department. The board shall give the name of the student and a summary of the board's action in so referring the student, to the commissioner of education within thirty (30) days after the student is expelled.

The provisions of this section shall not apply to students requiring special education who are described in subparagraph (A) of subdivision (5) of Connecticut General Statutes §10-76a.

**SECTION VIII GUN FREE SCHOOLS ACT**

The board of education shall submit to the commissioner of education such information on expulsions for the possession of weapons as is required for purposes of the Gun Free Schools Act of 1994, 20 U.S.C. §8921, et seq.

**SECTION IX PRE-SCHOOL PROGRAMS**

- A. As used in this section, “preschool program provider” means a local or regional board of education, state or local charter school or interdistrict magnet school that offers a preschool program. No preschool program provider shall expel any child enrolled in such provider's preschool program, except an expulsion hearing shall be conducted, in accordance with the provisions of subsection B, below, whenever there is reason to believe that any child enrolled in such preschool program was in possession of a firearm, on or off school grounds or at a preschool program-sponsored event. Such child shall be expelled for one calendar year if, at the expulsion hearing it is determined, that the child did so possess such a firearm. A preschool program provider may modify the period of expulsion for a child on a case-by-case basis.
- B. An expulsion hearing required under this subsection shall be conducted by (1) the program provider, as set forth above, or (2) the board of education, in accordance with section V above, if (a) the preschool program provider is the board of education, or (b) the preschool program provider is a regional educational service center or a state or local charter school pursuant to an agreement between such preschool program provider and the board of education, Unless an emergency exists, as set forth in section I, above, no child shall be expelled under this subsection without a formal hearing held pursuant to section V. If an emergency exists, such hearing shall be held as soon after the expulsion as possible.
- C. No preschool program provider may authorize a suspension of a child enrolled in such provider's preschool program, unless the suspension is an in-school suspension. except that an out-of-school suspension may be imposed if the administration determines that an out-of-school suspension is appropriate for such pupil based on evidence that such pupil’s conduct on school grounds is of a violent or sexual nature that endangers persons
